**Report Date: January 28, 2019**

**Report Number: 14-0747**

The OIG investigated allegations of misuse of funds by an Alaska Native organization after the single audit found approximately \$108,561 in questioned costs. The organization is funded through a cooperative agreement with the U.S. Fish and Wildlife Service. We investigated to identify any criminal misuse of funds.

We confirmed the single audit findings, but we did not find criminal misuse of funds.

This is a summary of an investigative report we issued to the FWS Principal Deputy Director.
