DEAR MR. The details of this action are set forth in the enclosed memorandum from the Director of the Office of Management and Budget.

THE DIRECTOR

MEMORANDUM FOR THE PRESIDENT

FROM:

Shawn Donovan
Director

SUBJECT:

Designation of Funding as an Emergency Requirement

Section 5 of the Continuing Appropriations and Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2017, and Zika Response and Preparedness Act, 2016 (the "Act"), provides that the availability of funding that is designated by the Congress in the Act as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended (BBEDCA), is contingent upon the President subsequently so designating all such amounts and transmitting such designations to the Congress. The Act provides \$1.1 billion in emergency funding to address the Zika outbreak in 2016, and emergency offsets totaling \$2 billion, and addresses investments in communities impacted by natural disasters.

I recommend that you designate as an emergency requirement all funding so designated by the Congress in the Act pursuant to section 251(b)(2)(A) of BBEDCA, as outlined in the enclosed list of accounts. Upon transmittal of these designations to the Congress, these funds will be immediately available for obligation and expenditure. No further congressional action will be required.

The designation of these funds as emergency requirements allows for adjustments to the discretionary spending limits in fiscal year (FY) 2016, as specified in section 251(b)(2)(A) of BBEDCA. These adjustments will be reflected when the Office of Management and Budget submits its final sequestration report for FY 2017 under section 254(f) of BBEDCA.

I have reviewed this proposed action and am satisfied it is necessary at this time. Therefore, I recommend that you make the requested funds available by signing the enclosed letters to the Speaker of the House of Representatives and the President of the Senate.
